History of Excellence:

Goosehead Insurance is a subsidiary company of TWG Insurance, one of the largest independent, personal lines agencies in the United States. Goosehead was created to offer franchise opportunities for insurance entrepreneurs who desire to become more profitable. At Goosehead, we believe that by providing world-class service to our clients, hiring the right people, and choosing the right business partners, we're changing the way people buy insurance.

RECOGNIZED AS ONE OF INSURANCE JOURNAL'S TOP 50 PERSONAL LINES AGENCIES IN THE US

The leadership team of Goosehead Insurance has identified the keys to growing a successful, professional agency. I have been working with them since March of 2009, and I have watched them grow all aspects of their agency – including products, service and technology. Their unique structure and abilities have set them apart as a key partner for Progressive.
